Special Holiday Issue

Here are some of the ways that you make a difference to the vulnerable children and families that we serve.

Thank you
for helping me get
a college education.

Nationally, fewer than 50% of teens in foster care graduate high school. Since 2009, 100% of our teens have graduated. 19 are in college this year.

Thank you
for helping me
learn to read.

With your donations, we provide reading, writing, vocabulary, mathematics, and science tutoring each week to 40 children in foster care.

Thank you for
helping me feel safe.

Since 1899, we've helped nearly 11,000 children find loving adoptive families. Your support helps us give more children this chance.

Message from the President & CEO

During this season of gratitude, I thank you for all the ways you make a profound difference to our children and families. But there is still more to do. Please continue to help us create better futures by making a gift today. Happy Holidays!
